#### **UPDATES AND DISCUSSIONS**

- The data discovery spreadsheet has not been updated yet, but hoping for next month.
- Panel members that are missing files or information on their assigned cases may contact Tim directly for help to remedy the situation.
- Panel members were asked to connect to Netsfere for HIPPA compliant communication.
- Chase/Cindy will follow up with question gathering for Susan Dwello.
- Barb will followup with Abbie Lee for a date to have a question and answer period.

#### **BROKEN PLACES BY ROGER WEISBERG:**

Following the conclusion of the panel meeting, the panel watched the film “Broken Places”. This documentary is very well done and very informative with real life events. A discussion followed. It was noted that all of the cases aired were based in big cities. The reason for that was probably due to a lack of documentation and case studies in the rural areas of the United States.

There being no further business, the meeting adjourned at 10:35 a.m.

Respectfully Submitted:

A handwritten signature in cursive script that reads "Barbara Felty".
